

## **Treasurer Trustee Opportunity Triple A**

Triple A is a leading Autism Charity based in Cumbria.

Our website <https://tripleaproject.org.uk> provides an overview of the work that we do. It is a hugely exciting time for Triple A as we continue to expand and grow our Services.

We are currently looking for a new Treasurer to join our Board of Trustees to help guide and advise us on financial concerns. We have a dedicated Finance Officer and so the role of Treasurer is to help oversee the financial work of our Charity, not to be involved in the Day to Day running of the Finances of the Charity.

We have a Finance Committee with delegated Authority as well as the Trustee Board. The successful person will need to be able to attend both of these meetings as well as presenting at our AGM and attending a Trustee Annual Away Day. In total this means a commitment of approx. 8 meetings a year. In addition, there may be adhoc meetings with the Chair/ CEO.

We are looking for someone with a passion for ensuring high quality services are given to autistic people and who has the senior experience of Financial Controls – i.e. an Accountant or similar. Preferably we would like someone with an understanding of Charity finance, pensions and legal requirements but this is not essential.

Further information/conversation can be through the CEO of Triple A reached on [helen.storey@tripleaproject.org.uk](mailto:helen.storey@tripleaproject.org.uk).
